Lily Flower of the Valley, a 501(c)(3) nonprofit organization is partnering with a leading care coordination provider to deliver high-quality mental health services to clients in the community. Clinicians will work within a coordinated care model supporting Medi-Cal and community-based populations.

We are seeking licensed clinicians to provide therapy, assessments, and coordinated care services under a structured clinical program.

### Key Responsibilities

1. Conduct mental health assessments for referred clients
2. Provide individual psychotherapy and counseling
3. Deliver appropriate evidence-based interventions
4. Complete clinical documentation (progress notes, records)
5. Participate in care coordination with case managers and clinical teams
6. Attend case conferences and care plan reviews (as needed)
7. Provide staff training or educational sessions (optional/assigned)

### Ideal Candidate:

We are seeking clinicians who:

1. Are ready to begin immediately (**May 1 start preferred**)
2. Want a stable part-time role with consistent referrals
3. Are passionate about serving Medi-Cal and community-based populations
4. Value teamwork and coordinated care delivery

### How to Apply:

To apply, please submit:

1. Resume/CV
2. Copy of active California license
3. Proof of malpractice insurance

Applications are reviewed on a rolling basis. Qualified candidates may be contacted within 24–48 hours for interview.
